Background: Transparent ▼ ▼

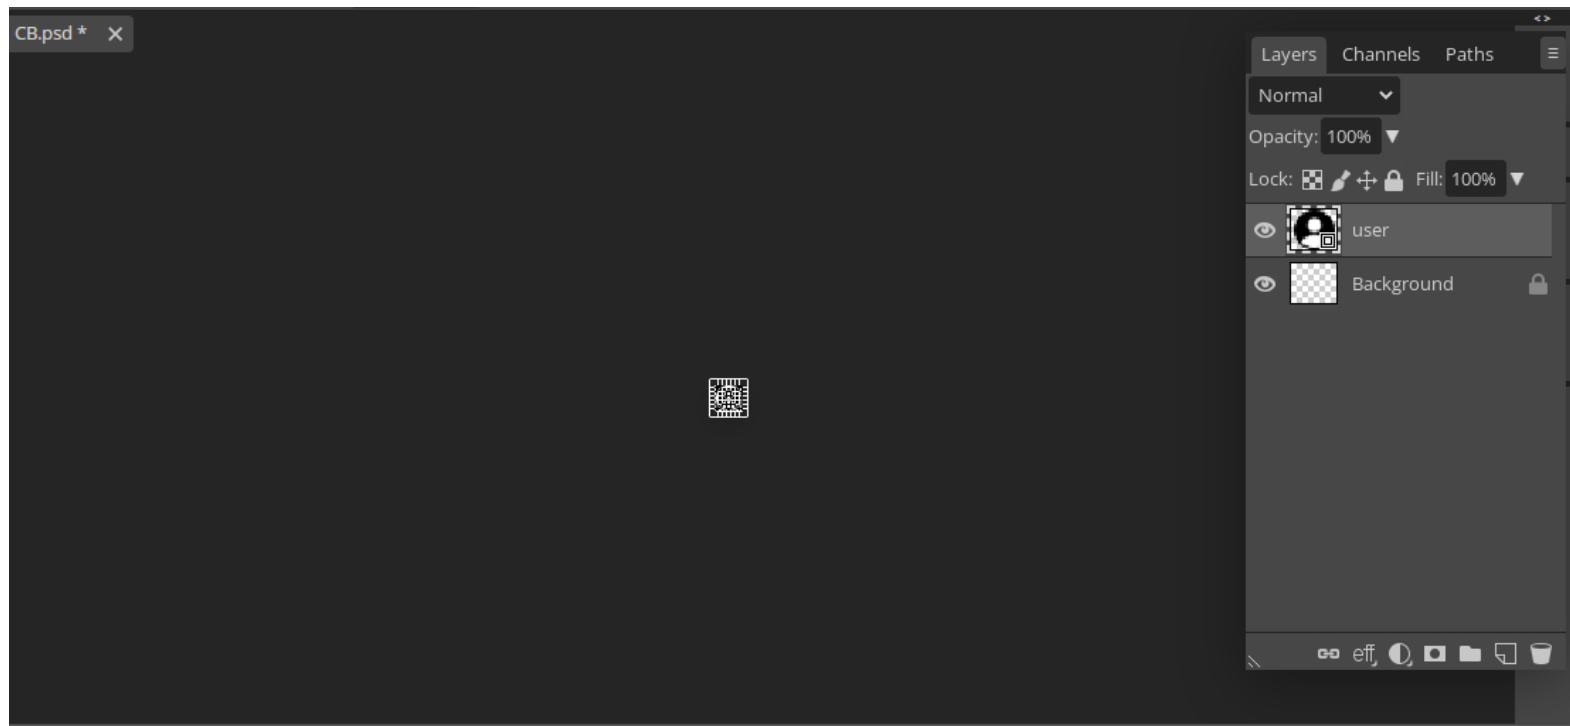

Create

Social Print Photo Screen Mobile Ads 2^N

 Wallet 2 x 3 in	 Enprint 3.5 x 5 in	 5 x 7 in
 8 x 12 in	 12 x 18 in	 16 x 24 in
		

Membuat CB.psd dengan 960x300 px

Membuat user.png

Membuat lock.png

```
prak5.html x home.css x
1 <!DOCTYPE html>
2 <html>
3 <head>
4   <link rel="stylesheet" type="text/css" href="home.css">
5 </head>
6 <body>
7   <div id="content">
8     <div id="header"></div>
9     <div id="menu"></div>
10    <div id="main-content"></div>
11    <div id="news"><br><br><br><br><br><br><br><br><br><br></div>
12    <div id="side-menu"><br><br><br><br><br><br><br><br><br><br><br></div>
13    <div id="footer"></div>
14  </div>
15 </body>
16 </html>
```

Prak.html menggunakan br agar kelihatan perbedaan background dan height

```
prak5.html x home.css
1 body{
2     background-color: #dddddd
3 }
4 #content{
5     margin: auto;
6     width: 900px;
7 }
8 #header{
9     width: 100%;
10    float:left;
11    height: 300px;
12    background:url(header-bg.png);
13 }
14 #menu{
15     width: 100%;
16     height: 60px;
17     float: left;
18     background-color: #333333;
19 }
20 #main-content{
21     width: 100%;
22     min-height: 50%;
23 }
24 #news{
25     width: 70%;
26     height: 100%;
27     overflow: auto;
28     float: left;
29     background-color: white;
30 }
31 #side-menu{
32     width: 30%;
33     height: 100%;
34     overflow: auto;
35     float: left;
```

```
36     background-color: #eeeeee;
37 }
38 #footer{
39     width: 100%;
40     height: 40px;
41     float: left;
42     background-color: #333333;
43 }
```

Home.css
